SUBJECT: Change to the Special Access Program Oversight Committee Membership

Effective immediately, the membership to the Special Access Program Oversight Committee (SAPOC) is changed to include the Vice Chief of Staff of the Army, Vice Chief of Naval Operations, Vice Chief of Staff of the Air Force, and the Assistant Commandant of the Marine Corps. This change will be documented in the next update of related DoD Issuances.

Additionally, given the current vacancies of the positions for the Service Under Secretaries, the Service Secretaries will inform me, in writing, of whom they designate as their civilian representative on the SAPOC. Their designees will be accessed into the existing billets for the Service Under Secretaries until they depart or an Under Secretary is appointed, whichever occurs first.

Questions regarding the details of this guidance should be referred to the Director, DoD Special Access Program Central Office.

A handwritten signature in black ink, appearing to read "Andrew England".
